

## Option 1: Private Courses

Wherever you are. (Monday - Saturday)

We can come to you 6 days a week. Mornings and Afternoons. If we come to you, then the price is based on the number of people attending the course. So the more people on the course the cheaper it is per person. Full day courses are normally run from 9am - 4:30pm. Morning courses normally run from 9am - 12pm and Afternoon courses from 1:30pm - 4:30pm. These times can be adjusted to suit your needs. Please contact us directly (email or phone) to find out what dates are available.

## Option 2: Public Courses

Set dates in Joburg. (Westrand & Eastrand)

If you're not part of a group, or you don't want a private course, you can join one public courses in the East and West of Joburg. Public courses are run on specific dates, for a set price (including VAT), and includes a light lunch. Public courses are ideal for smaller groups and clients who would prefer not to run the training on their site.

## Traditional courses vs Blended Learning courses

- Traditional courses are the formal in classroom training where all the theory, practicals and assessments are covered in person in class with the instructor.
- Blended learning courses are excellent time savers where generally half the course time is needed. This is where the theory is completed on our training website, then the students attend an in person practical session to complete all the practical skills and assessments required for the course.

A map and directions will be sent when you book. Here is a basic description of where our venues are:

- West Joburg courses are held at Delarey. However we are currently in the process of moving this venue to a new location.
- East Joburg courses are held at Meadowdale (Edenvale/ Bedfordview/ Isando region, near the Edenvale/ Van Riebeeck off ramp). It is right next to the N12 highway at "Helvetia House" (80 Greenvale road, 2nd Floor of Helvetia house, Germiston, 1401)
- We also have extra CPR courses at "HFPA" Rivonia (Rivonia Village). The Rivonia venue is on the S3 Sandton Gautrain bus route.
